Caring Companions
Quality Caregivers 24 • 7 • 365

(417) 234-8494
A real person answers, day or night

FOR RESIDENTS AND THEIR FAMILIES

Stay independent in your own apartment, with someone looking in every weekday.

$75
a week to start, plus HomeTogether TV at $99 a month

A Caring Companions caregiver checks in by video, Monday through Friday, at the time you pick. The same friendly face most days, and your family hears how you're doing.

Comes on by itself
No tablet, no password, nothing to press.

Medications on time
Reminders, and someone there while you take them.

Real company
A visit and a conversation, not a call center.

Family stays close
Notes after visits, and a call if something seems off.

Call (417) 234-8494 to talk with our Springfield office. Caring Companions is a locally owned home care agency, separate from your community.

WHAT HOMETOGETHER TV DOES

You only use your TV and one simple remote.

- Video calls with family on the big screen, up to ten people at once
- Photos and videos from family, right on your TV
- Reminders for medications and appointments, at the right time
- Channels made for you: music, faith, memory lane and live classes
- Quiet safety sensing that notices when a day doesn't look normal
- Health readings, if you want them, sent to your family
- A camera shutter you can close, and only approved callers
- No Wi-Fi? Cellular can be added. We handle repairs

HomeTogether TV is $99 a month, or included with 20 or more private-pay hours a week of in-home care. You need it for Virtual Caregiving, and visits are added from $75 a week. **Call (417) 234-8494.**
